Dear Peter,

Please accept our thanks for participating in *Insight for Inspired Practice* in San Antonio. Thanks to you, we were able to offer a variety of programs whose subject matter was only exceeded by the superb presentation of the material. Your hard work and preparation made this conference an overwhelming success.

The evaluations were enthusiastic, and many attendees noted that this was the best conference that they had ever attended. The program committee reviewed more than 200 proposals to produce the 105 concurrent sessions. There were over 350 faculty members for the plenary, forum, concurrent, skills and court mini-conference sessions. We had approximately 1,000 participants.

In short, *Insight for Inspired Practice* exceeded our goals and expectations. As we turn our attention to next year's conference in New York, the Section is counting on your continued support. Please log on the Section's web page www.abanet.org/dispute to get the Request for Proposals form for the Sixth Annual Spring Conference. You should have recently received an email with a link to the Request for Proposals form for New York. Please note the April 15-17, 2004 dates for the conference and consider submitting a proposal by the August 29, 2003 deadline. With your help our Annual Spring Conference will continue to grow.

Again, thank you for your assistance.

Very truly yours,

Bruce Meyerson
