Dear Mr. Michaelson,

Please accept our deep gratitude for your participation in the Section of Dispute Resolution programs presented during the ABA Annual Meeting in San Francisco. Thanks to you, we were able to offer interesting, topical and informative programs. The feedback we have received has been overwhelmingly positive.

The Section of Dispute Resolution strives to expand our role as a leading provider of educational programs for practitioners and neutrals in the field of dispute resolution. Thank you for giving us the opportunity to highlight your expertise and insights, and to share them with our members and attendees.

We look forward to working with you in the future on other programs for the Section of Dispute Resolution. Again, thank you for agreeing to share your time and talent with us.

Very truly yours,
